GAME FEATURES

PRIZES

9 different patterns including full house, double line, any line, four corners, and bonus.

EXTRA BALLS

If one number remains for a player to win a prize an Extra Ball is presented. This can trigger the bonus or a bigger prize. Up to three extra balls can be offered!

BONUS

The Wheel of Fortune is triggered once a player completes the bonus pattern. In the first two spins, the wheel offers a first level of prizes, while during the third spin players have the opportunity to win a larger reward.

CUSTOMIZATION

Each player can set up the bingo the way they want, for example, by changing the cards randomly. They also can bet from 1 to 10 credits per card. The game is also available at slow, normal, or fast speed.
